Subject: RE: Bradford Island fact sheet

Hi Brigid –

FFRRO was asked by Peter to provide a fact sheet separate from the overall package. This was in response to that request. I had asked Jennifer to run it quickly through the OSRTI hurdles today so that I could get it into the binders for P/B/S. Fortunately Yazmine and Greg have no additional comments on the fact sheet.

Silvina – attached is the most recent version.

Thanks

Hi Mary and Silvina. I wanted to check-in on where we are with NPL listing and process.

The briefing for the NPL listing was the beginning of January. At that meeting, Peter indicated he would send us his any comments he had on the fact sheets, which included Bradford. We haven't heard back yet from OLEM IO but we went ahead and made edits to the fact sheets based on feedback at the meeting. Those are in OSRTI management review now. Silvina – If P/B/S have additional edits to the fact sheets please let us know.

Regarding Bradford I know there was a pre-brief with Peter before the meeting in January and he asked for a fact sheet. Bradford was in the NPL package for the January briefing with a fact sheet. We're operating under the assumption that the NPL listing materials will include Bradford and all proceed together but maybe that isn't correct. Have you guys heard something different on Bradford? We have a different fact sheet in our package now. Thanks!
